TRANSMITTAL OF DRAWING CORRECTION

Assistant Commissioner for Patents
ATTN: Official Draftsman
Washington, D.C. 20231

Sir:

Enclosed herewith is a corrected drawing for filing in the above-identified patent application.

In Figure 3, a typographical error in the list of reagents resulted in the numeral "(ii)" being repeated instead of the numeral "(iii)" i.e. "(ii) MeOH, H⁺; (ii) MOM-Cl, CH₂Cl₂, Et₃N (90% 2 steps);" Applicants respectfully submit that the numeral for "MOM-Cl, CH₂Cl₂, Et₃N (90% 2 steps)" should have been "(iii)".

The enclosed drawing of Figure 3 reflects the change of (ii) to (iii). Also enclosed is a marked-up version of Figure 3 showing the correction in red ink.

DATE: July 17, 2001

Respectfully submitted,

By: Michael J. Shuster
